

COVID-19 UPDATE

Dear Member:

To enhance member service while maintaining social distancing and protecting our staff, a walk-up window has been installed at the Benning Road Branch. The window will be available for all transactions during operational hours (see below). We ask members to limit cash withdrawals to a maximum of \$1,000 and that all amounts of \$500 or under be made at the ATM in Building 59.

The Branch will be open Monday through Friday from 6:30 am to 2:30 pm with a staff break between 11:00 am to 12:00 pm. Starting Friday April 3, 2020.

Other staff will be working remotely 8:30 am to 4:00 pm, to answer question and assist you with digital transactions. Please refer to the contact information below:
